Variety	Junior High	9th grade and below	Female/Male	4+ members
Kick	Junior High	9th grade and below	Female/Male	4+ members

Epic Brands reserves the right to split, combine or open divisions at any time leading up to each event, as deemed appropriate. Please refer to Epic Rules and Scoring for additional division information.

Every member of a team representing a school must be enrolled at that school during the date of the competition, and must be a member of the dance program representing the school. Divisions are determined by the grade of participants at the time of the competition, regardless of the participant's current age. The competitor has to be in the grade for the appropriate division for the 2018-2019 school year. Members must be officially recognized by the competing school's administration as a member of the dance program.

The lowest official grade level for all athletes participating in a Varsity High School performance division is listed as 9th grade. The competitor must be an official member of the dance program for the school they are representing. * If a school district allows for athletes below 9th grade to compete at the high school level, then the athlete is eligible providing the school's administration provides a letter stating the current school policy surrounding eligibility of athlete. Proof is required.

Participants may compete with the same school in different styles of dance during the same competition. Participants are only allowed to compete with 1 school within a competition season.

Epic Brands may combine styles (ex. Hip Hop, Pom, etc.) in the same age division DANCE category if there are not at least (3) three teams registered in each style.

* All division/categories may not be offered at US Finals. If you receive a bid, you will need to register in the most appropriate division. Contact US Finals with questions.
